Sir,

BUILDINGS (SOUTH KANARA) Revenue Divisional Officers Office and Bungalow at Coondapoor -Electrification to the buildings - with fans - Plan and estimates sanctioning of - Proposal -Submitted.--

The Executive Engineer (P.W.D.)South Kanara Division has sent plans and estimates detailed below for the electrificati to the buildings of the Revenue Divisional Officer's Office and bungalow at Coondapoor.

	Rs
(1) Providing electrification and fan to the R.D.O's Bungalow at Coondapoor.	2630/-
(2) Providing Electrification and fans to R.D.O's Office at Coondapoor.	1200/-

2. The Office building and Bungalow of the Revenue Divisional Officer,Coondapoor are situated close to the Gangolly River and the Arabian Sea and as such they are exposed to strong gale during rainy season. The Revenue Divisional Officer ~~Officer~~ and his staff are experiencing great inconvenience when the doors and windows are closed and the office work is carried on with the help of oil lamps. The supply of electric power has since been extended to Coondapoo Taluk and therefore the question of electrifying both the buildings which are in charge of the P.W.Department may be considered, now, promptly.

3. In para 4 of G.O. 2408 Revenue dated 3-8-1955, the Government have ordered that in places where electricity is available, the District Revenue Officers should be provided wi electric fittings. I have scrutinized the proposal with referen to the instructions issued in G.O.Ms.No.240/P.W.D.Dated 23-6-55 and I consider that the Scheme is an urgent and essential one. I request that sanction may be accorded for the execution of the work and the Electrical Engineer (General) Madras may be addressed in the matter.

4. The plans and estimates received from the Executive Engineer (P.W.D.)South Kanara are enclosed.

Yours faithfully,

9-12-55.

From the Chief Engineer, P.W.D.(Gene) 2958 WKS(1)/55-1 dated 15.2.56.

To A.S.

The Chief Engineer, P.W.D. (General) has submitted plans and estimates for the ~~electrification~~ installation of the Revenue Divisional Officer's Office and his bungalow, at Coondapur, South Kanara district. The Collector of South Kanara has stated that the office building and bungalow are situated close to the Gangoli River and the Arabian Sea and as such are exposed to strong gale during rainy season, that the R.D.O. and the staff are experiencing great inconvenience when the doors and windows are closed and the office work is carried on with the help of oil lamps. The Collector considers that the scheme is an urgent and essential one. The copy of the letter of the Collector on p.2 c.f. shows that the original has been submitted to the Govt. through the Board of Rev. The Bd. of Rev. has not submitted the original letter with remarks.

2. R.D.O's Office, Coondapoor. The estimated cost is Rs.1150/- and the estimate provides for 2 ceiling fans and one table fan. This is in adcordance with the scale permitted in G.O.Ms. 1142 Rev. d/5-4-55. In view of the reasons given by the Collector, it is for orders whether this proposal will be approved.

3. R.D.O's bungalow at Coondapoor:

The estimated cost is Rs.1980/- The estimate provides for 4 ceiling fans. No scale has been fixed in regard to fans in residential buildings. Attention is invited to the orders in Govt. Memo.

No.4596-C/50-5 P.W. dated 27-11-1950 from which it will be seen that the policy of the Govt. is not to allow provision of fans in the case of quarters of gazetted officers even though the quarters may be electrified. In view of these facts, it is for orders whether the proposal for the electrification of the bungalow, ~~leaving out~~ without the provision for fans will be approved.
